National Panhellenic Conference

NPC Position Statement Against Discrimination

The National Panhellenic Conference (NPC), one of the world's largest organizations advocating for women, is the umbrella group for 26 inter/national sororities. Federal law recognizes the right of college fraternities and sororities to maintain their single-sex membership policies. Consistent with that right, the 26 NPC sororities are organizations of women. NPC member organizations do not discriminate in membership selection on any basis prohibited by law.
